## What we do

Latch is a unique, independent charity that refurbishes run down and derelict houses in Leeds. Once modernised and fully furnished we provide homes and support for people who are homeless or are in housing need.

## Who we support

We provide modern fully furnished supported housing for families and single households. Our properties are mainly in North Leeds

## How we work

We take referrals from Housing Options, other voluntary and statutory agencies and self referrals.

Our tenants have a range of support needs, including people who have experienced mental health issues, domestic violence, substance misuse and ex offenders

Please see  
[www.latch.org.uk](http://www.latch.org.uk)  
for more info

## Our Services

Latch is organised into two core services:

### Supported Housing

- ✔ Set up and sustain their tenance to prevent future homelessness
- ✔ Develop a range of skills to move into independent living
- ✔ Identify and access other services and information

### Property Maintenance

- ✔ Responsible for maintenance, repairs, voids and inspections on all Latch properties
- ✔ Purchase and refurbish empty homes
- ✔ Run and support a Volunteer and Trainee programme
